

THE RESEARCH GALAXY OF THE UNIVERSITY OF ANGERS

Edition 2022-2027

5 federative research structures (SFR)

850 teachers and researchers

27 research units (including 12 joint research units)

57 active patent families

HEALTH

SFR ICAT*

*ICAT: Cellular Interactions and Therapeutic Applications

CRCI2NA | Innate Immunity | Cancer | Senescence | Radiopharmaceuticals
HIFIH | Hepatic steatosis | Liver cancer
INCIT | Mycobacterium mycolactone | Buruli ulcer
IRF | Respiratory Fungal Infections | Cystic Fibrosis | Scedosporium apiospermum
IRSET-ESTER | Occupational health | MSD (Musculoskeletal disorders) | Prevention
MINT | Drug delivery systems | Nanomedicine
Mitovasc | Vascular Biology | Mitochondrial Diseases | Ischaemia and Reperfusion
POPS | Prevention | Organisations | Care pathways | Primary care
REGOS-Rmès | Bone fragility | Bone quality

6 business start-ups

130 initial thesis registration

MATERIALS

SFR MATRIX*

*MATRIX: Materials

Lphia | Photonics | Optics | Lasers
Moltech-Anjou | Molecular materials with optical and electronic properties

PLANT & ENVIRONMENT

SFR QUASAV*

*QUASAV: Plant Health and Quality

BioDIVAG | Ecology | Biodiversity Dynamics | Anthropogenic forcing
LPG | Marine Geochemistry | Paleocceanography | Biomonitoring
IRHS | Quality and health of horticultural productions and seeds
SIFCIR | Insecticides | Synergistic Agents | Repellents
SONAS | Phytochemistry | (Hemi)Syntheses | Valuation of Natural products

LL-SHS*

SFR Confluences

*LL-SHS: Letters, Languages, Humanities and Social Sciences

3LAM | Cinema | Civilisation
Jean Bodin Centre | Heritage | Justice | New regulations | Borders and territories
CIRPaLL | Myths and the Sacred | News and Short Forms | Shared Language(s) | Heritage and Legacy
CLiPsy | Psycho-pathology | Trauma | Families Parenting
ESO | Social Geography | Territories | Social Processes | Tourism
Granem | Tourism, territories and culture | Health, food, work | Finance and risk
LPPL | Cognition Regulation Risks
TEMOS | History | Archivistics | Childhood | Gender Religions | Plants

MATH-STIC

SFR MATHSTIC*

*MATHSTIC: Mathematics, Sciences, Information and Communication Technologie

LAREMA | Geometry | Algebra | Probability | Statistics
LARIS | Optimisation | Signal-Image | Operating safety
LERIA | Artificial intelligence | Combinatorial optimisation

10 Doctoral schools

92 thesis defences per year
