## COURSE DESCRIPTION

The aim of this course is to work on classroom practice. The first part will allow students to discover pedagogical tools for language teaching and put them into practice in real situations, during the second part, by creating activities and sessions adapted to the audience and learning objectives.

## OBJECTIVES

Students will: 1) Analyse and use the available textbooks or materials, 2) Develop a teaching sheet, 3) Define learning objectives and propose activities adapted to the level and audience, 4) Conduct a classroom session, 5) Reflect on their own performance, 6) Develop their teaching approach by participating in projects with partners (Buddy system, foreign universities, Alliance Française, etc.).

## PREREQUISITES

French language proficiency level B2 (upper intermediate)
