- Project

COURSE DESCRIPTION

This course will trace the history of the "francophony", which will be described through various aspects: typologies, and presentation of different situations of the French-speaking world. It will also focus on the main institutions involved in the dissemination and teaching of French as a foreign and second language.

OBJECTIVES

The course will enable students to

- master the linguistic, historical, geographical, geopolitical and institutional aspects of the French-speaking world
- know and locate the main structures for the dissemination and teaching of French

PREREQUISITES

French language proficiency level B2 (upper intermediate)
