COURSE DESCRIPTION

Each year, students of the MIM (International management and marketing) and IHRM (International human resource management) Master's study programmes take part in high-level conferences and challenges, often with other Master's degree students from different IAE schools and/or different countries ("Nuit de l'international", "IAE France network, digital fresco, other international case studies").

Teaching method: Participative course.

Assessment: Oral and/or written presentation.

OBJECTIVES

To develop the ability to analyze a complex managerial situation, and to propose a solution in a multicultural environment.

PREREQUISITES

Participation in the following courses:

- Collective intelligence and project management
- HR innovation management
